Designed to transport powerchairs on the outside of a vehicle, Bruno's Out-Sider allows you to keep all of your interior vehicle space. Drive a power chair on the platform, press a button and the powerchair is automatically secured as the lift is raised. A sleek, adjustable platform version is available specifically for mid-wheel drive powerchairs.

- Optional compact platform for mid-wheel drive powerchairs
- Fully-powered, single-button operation
- Automatic folding platform when not in use
- Easy drive on/off platform with traction coating
- Automatic mobility device securement with Hold-Tite arm
- Low profile design for rear view mirror visibility
- Integrated safety latch to prevent unintentional lift lowering
- Lighted license plate holder
- No scooter or powerchair modifications
- Manual backup for peace of mind
- Potential to reinstall in another applicable vehicle*
- Eligible for auto manufacturer potential rebates*
- 3-year limited warranty
