

VALET[®] LIMITED

TECHNICAL SPECIFICATIONS

Weight Capacity: 330 lb (150 kg)

Position: Passenger side

Location: First or second row

Vehicle Types: CUVs, minivans, SUVs

Your luxury ride begins before you even enter your vehicle with Bruno's premium Valet Limited turning automotive seat. The Valet Limited offers more standard power features than any turning vehicle seat available. And the sleek appearance is second to none. With a single push of a button, the Valet Limited power rotates, reclines, extends and lowers to your needs.

- Fully powered: rotates, extends, moves up/down
- Automatic recline provides head clearance as seat passes through door frame
- One-button operation via hand-held control
- Power forward/backward and recline
- Integrated footrest, armrests for comfort, stability
- Scratch resistant easy-to-clean materials
- Black fabric or optional color choices in Ultraleather™ Plus or fabric
- Original seat is unmodified and easily reinstalled
- Safe: meets or exceeds applicable federal safety standards
- Manual backup system
- Eligible for auto manufacturer potential rebates*
- 3-year limited warranty
